

FORMULA ALLOCATION:

The federal Grant Program that provides funds is the Individuals with Disabilities Education Act (IDEA), Part C. Below is a description of the distribution of funds.

IDEA (PART C) FUNDS – Intermediate School District (ISD) funds are based on a three step formula including: 1) \$50,000 to all ISDs, 2) a percentage amount based on the birth to three population, and 3) an amount based on the average 12 month period count taken on the previous June 1 and December 1. Funds cover the costs of developing and implementing a collaborative interagency deliver system of programs and services for infants and toddlers, birth through two year olds.
